Proposed Programme of Studies

To continue with your Proposed Programme of Studies bear in mind the automatic filter of this procedure: you **MUST** choose at least 50% of the courses of your own faculty (either from your own degree or any other within your faculty).

For instance, if you are a student at the Faculty of Humanities and Arts and your study area is English Studies, you must choose min. 50% of the courses offered by the Faculty of Humanities and Arts such as English Studies, French Studies, History, Translation and Interpretation, etc.

Once you have the 50% of courses from your own Faculty, the rest of your Programme of Studies can be completed with courses from your own faculty OR (if interested) from other faculties.

Remember that the University of Murcia has different campuses. Therefore, please check that the courses you choose are compatible (avoid overlapping timetables, different locations, transport time...)

Proposed Programme of Studies

You can now start including the UM courses that you are going to take by clicking on **“add a new course”**

 Personal data

Here you can see if the tutor has already validated it or not. Contact your tutor if you have questions about the proposal.

When the status is **Open** it means you can still make modifications to the proposal. Once the tutor accepts it, the status will become **blocked**. If the tutor feels it is not correct, it will appear as **Rejected**. In this case, contact him/her.

Proposed Programme of Study

Once your Proposed Programme of Study is validated, you will be invited to do the “automatrícula” in due time (you will receive an email with instructions at the beginning of September).
